**Mending the minds, bodies
and spirit of girls**

Home for Girls

Provide a safe nurturing environment for girls mending their minds. bodies and spirits

Nella's Place values all girls and young women, believing each one young lady deserves an opportunity to find her voice, achieve her potential to celebrate a life defined by responsibility, dignity, serenity and grace

~Janelle S. Hocker Executive Director

About Nella's Place

Nella's Place is under the umbrella of Step Higher servicing students nationwide exposing them to educational opportunities. The donation of a residential building allows Step Higher the opportunity to offer services for girls that are referred from ODJFS. The girls will live at Nella's Place for a minimum of 90 days or longer.

We will offer a warm, caring environment, case management, and reparative therapy services intended to mend the minds bodies and spirits of our clients. Additional services involving family therapy will be provided as needed.

We strive to help young girls overcome their past and grow toward a bright future through educational, recreational, treatment and support services in a warm, loving and therapeutic environment.

Program Goals

Our program is designed to meet the girls needs in an atmosphere in which they feel loved, valued, and accepted. We will work hard to help each girl mature and grow to reach her maximum potential. Nella's Place provide

- A comfortable, safe, supervised living environment designed to encourage each girl's emotional, moral, social, and physical development.
- A program that ensures girl's daily needs are met, including personal hygiene, self-esteem and an overall sense of well-being.

Our Philosophy

Nella's Place values all girls and young women believing each one deserves an opportunity to find her voice, achieve her potential and celebrate a life defined by responsibility, dignity, serenity and grace.

Our Services:

Life Skills training to support self-sufficiency and independent living. Educational advocacy and support, tutoring and College prep. Case management, referral and coordination for health services. Individual and group therapy building strength of personal identify providing self-esteem and confidence.

Our program is designed to meet the girls needs in an atmosphere in which
